

TI7000-190 Storage Case for TI5400 400Hz GPU-24 UAV ACDC

The Tesla™ TI7000-190 Storage Case is designed especially to hold Tesla's TI5400 400Hz GPU-24 UAV ACDC. The case can be secured directly to the TI2000-155 Tow Cart for TI5400 Series GPUs (sold separately). You can operate the GPU without ever removing it from the case or the cart – simply lift the access doors or remove the lid of the Storage Case for access to the entire unit. The plastic construction and Closed Cell Foam interior make this case completely water-tight and will withstand the harshest elements. Tesla™ stands behind the Storage Case with a team of customer service professionals and a 2-year warranty.

Power Anytime, Anywhere

Features:

- Completely Water-tight
- Closed Cell Foam interior
- Composite Laminate construction will prevent mildew, mold, and rotting due to weather
- Access Doors allow operation of GPU without removing it from the case
- Storage compartment for cables and tools

* Shown with Optional Tow Cart
